Building Cultural Connections, One Person and One Community at a Time

FOR IMMEDIATE PRESS RELEASE

Explorers Sans Frontières (ESF) will be recognized by Bank of America with its 2009 Neighborhood Excellence Initiative Award. This program recognizes, rewards and supports outstanding charitable organizations, local heroes and student leaders working to improve our communities. The ceremony will take place on October 27, 2009, 5:30 pm, at the African American Museum, 701 Arch Street, Philadelphia, PA.

Explorers Sans Frontières is a grassroots organization whose motto is “*Building Cultural Connections, One Person and One Community at a Time.*” Since its founding in January 2008, ESF has hosted or supported 45 community outreach activities in Philadelphia and in Africa. In addition, in January of 2010, ESF will lead a group of humanitarians from the local area on a medical mission to Jamaica, and in May 2010 afford opportunities for ESF Student Leaders to travel on its 3rd annual outreach mission to Senegal, W. Africa.

ESF would like to take this opportunity to thank all of the volunteers, community supporters, businesses and organizations that have made the aforementioned possible. Together, and by association, we make this possible! It takes one person, passion, and commitment to make a difference.

We welcome you to help ESF celebrate on October 27. Please contact us at 215-850-4743 and ask for Maria or email: MRossman@explorersSF.org.
